HUNGARIAN RUMMY DIPLOMA HRD

Game of rummy in the ether. New form with new rules and conditions.

The „Tivadar Puskás" Radio Club of Kaposvár issued a new kind of diploma in 1960 which was called „Rummy game in the ether".

At the request of our many amateur friends all over the world the Radio Club of Kaposvár decided to modify the rules of the HUNGARIAN RUMMY DIPLOMA (HRD) starting with 1 Sept. 1972.

The main point of the game is that the diploma can be obtain by having special qsl's which was asked for during the two-way contacts (cw, am, ssb) with HA and HG stations who take part in the game.
